

ROADSIDE ASSISTANCE

ROADSIDE ASSISTANCE... TO PROVIDE PEACE OF MIND

24 Hours A Day, 7 Days a Week, 365 Days A Year

Isuzu trucks are built to be the highest quality, most reliable trucks in the industry. That's why we back them with one of the strongest roadside assistance programs ever offered for medium duty trucks.

Roadside Assistance is standard for the first three years (unlimited miles) on N- & F-Series diesel trucks, and five years or 120,000 kilometers on gas trucks whichever comes first. Roadside Assistance is also included with any Isuzu extended warranty plan.

TOWS

Roadside Assistance provides towing to the nearest authorized Isuzu dealership, if your truck cannot be driven due to a warrantable defect.

TIRES

In the event of flat or damaged tires, Roadside Assistance provides towing to the nearest authorized Isuzu dealership that carries truck tires or to a local tire store.

BATTERIES

Roadside Assistance provides a jump start if your batteries fail

FUEL

If you should run out of diesel fuel, gasoline, or diesel exhaust fluid, Roadside Assistance will send a tow service provider to your location. You will be responsible for the cost of the fuel or fluid.

LOCK OUT

If your keys are locked inside, Roadside Assistance will send a service provider to unlock your truck door.

CUSTOMER PAY EVENTS

In the event that your service need is not covered by Roadside Assistance, our agents will be happy to coordinate a tow (or whatever is required), to help facilitate the transaction between the tow service provider and you.

AVAILABLE 24/7

Isuzu Roadside Assistance is available 24 hours a day, 7 days a week, 365 days a year, anywhere in the United States or Canada. Just call our toll-free number and a service vehicle will be dispatched to help you get back on the road.

(866) 441-9659

Roadside Assistance does not cover winching, or tows needed due to accidents, weather related issues, or body application issues (such as lift gate problems). An authorized Isuzu dealer must determine a warrantable issue for towing coverage, otherwise tow charges will be the responsibility of the owner. See your authorized Isuzu dealer for details.
